**DENTSPLY Prosthetics Signs Dale Dental
As Authorized Distributor for
Compartis® ISUS Products and Services**

York, PA – DENTSPLY Prosthetics is pleased to announce Dale Dental as the authorized distributor of Compartis ISUS products, including CAD/CAM overdenture Bars and Bridges.

Through this relationship, customers can send their models to Dale Dental where they are scanned and the implant bar or bridge is designed and emailed to the customer for visual approval. The final prosthetic is then manufactured and returned to the customer in seven days or less from design approval.

“We are very pleased to be able to offer these sophisticated products through such a well-known industry partner like Dale. Their decade of knowledge and experience

our Authorized Distributor

exclusively serving dental labs will be a big benefit to our customers.” says Jan Slor Vice President and General Manager for DENTSPLY Prosthetics Division.

Compartis ISUS Bars and Bridges offer consistent per-fixture pricing and eliminate the need for purchasing expensive implant parts, casting, seating and finishing.

Additionally, Compartis ISUS products are CAD designed and precision milled from a solid block of pure titanium or cobalt chrome for the ultimate in precision fit, passivity and quality. Use Compartis ISUS products and services for all styles of CAD/CAM overdenture bars and bridges– through two reliable sources – Compartis USA and Dale Dental.

For more information regarding DENTSPLY Compartis ISUS bars and bridges, visit www.dentsplyprosthetics.com or call 1.800.487.0100, Ext. 54211. To learn how to use Dale Dental for your next implant case, call 1-888-GET-DALE or visit www.daledental.com
